

Registration in the General Registry of Foreigners for Erasmus students from the European Union and associated States.

Please note that citizens of the Member States of the European Union, as well as nationals of Norway, Iceland, Liechtenstein and Switzerland who are going to stay in Spain for more than three months are required to apply to the Foreigners' Office of the province where they intend to stay or establish their residence, to be registered in the Central Registry of Foreigners. This office will issue them a registration certificate that will allow them to prove their right to reside in Spanish territory.

The secretary of the Center or the International Relations Office of the center where he/she will carry out his/her studies will give the student a certificate that will accredit him/her as an Erasmus student and that will be necessary to present at the Registry Foreigners' Center.
